the Hinesville Area Arts Council. →

The Hinesville Area Arts Council is a 501(c) (3), nonprofit corporation registered in the state of Georgia. Though the Council is primarily funded through the Margaret Martin Trust Fund, we often seek the support of the business community and individuals in bringing the vision of the Council to fruition. The Council actively seeks support from the community (both financial and physical), and it is often through effective community relations that we have found our success.
